Inspector Bernier

Please be aware that this number of 250 RCMP being sworn in is a bit misleading.

The PSB ask to swear in RCMP in Ontario as Special Csts was for the 256 assigned members to the National capital region.

We are currently working with 45 RCMP members on the ground since day 2 of our ask, they have been great.

The swearing in will include some 70 POU members, you know their numbers better than I do.

Members that get sworn in could show up sporadically in 2 day spurts

Inclusively this could add up to 250.

Just some insight into the number of 250 that is being thrown around.

Staffing teams and logistics...Want to make sure you have a heads up on this . I will be reaching out to Incident and Event Command to see if there are specific expectations on their side for these resources. I will also be looking for you for thoughts on how to implement on our current plan.

Thanks

Rob
